

Meriden, N. H. Feb. 2<sup>nd</sup> 1908. Dear Feades;

Your recent postal  
rec'd with pleasure.

I have often wonder-  
ed why you  
didn't write once

in a while, as I often  
think of all you  
people in fax. &  
appreciate your

father's gift of a  
chess book frequently.  
This is a busy life

too far from  
"humanity". I

have been waiting  
for a letter for  
many months

ever since I wrote  
you one and will  
be glad to hear from  
you any time.

This is our church  
but the snow is 1 ft  
deep now & the

thermometer often 0-  
below. Sincerely F. K. Wood.

Congregational Church, Meriden, N. H.

Moulton & Roberts' Series

Sincerely

Please give best regards to your father & mother.
